Government Prescribes a Uniform For Red Cross Ambulance Drivers

GIRL RED CROSS AMBULANCE DRIVERS IN THEIR NEW UNIFORMS

This photograph shows the new uniform for Red Cross work just issued by the government at Washington. These young women are ambulance drivers at the medical camp at Allentown, Pa. Left to right they are:

Private Mary Devereux, Major Corliss Hewitt and Private Ruth Stiles. They find their new uniforms well adapted to the service required of them as Red Cross ambulance drivers.

MAYOR MADE AWARE OF HIS UNPOPULARITY

Soldiers Menace Chicago Mayor and Tear Banners From Auto—Civilians Take Hand.

By Associated Press Dispatch.

By Associated Press Dispatch.

CHICAGO, September 5.—A demonstration of soldiers against 50 automobile parties constituting a delegation of the William Hale Thompson Republican Club bound for Kankakee, today was avoided by the Mayor.

The Mayor, who was by implication censured by a vote of the city council, had warning that his welcome along the route of 66 miles might be embarrassing, and he was not in line when the procession started.

Soldiers, however, mistook one of his supporters for him and stripped a banner giving the name of the club from a machine in which they thought he was riding. Civilians joined in the demonstration.

The automobiles were standing in Michigan boulevard which bounds Grant Park on the west when the soldiers began to gather.

"Slacker," they cried and used other epithets. There was an American flag on the car. "Take that down!" What are you doing with that?" they cried.

A crowd of hundreds collected in a few moments and the demonstrations were extended all along the lines of automobiles.

It was all over in a few minutes.

CONSCRIPTS CHEERFULLY GO TO CAMP

By Associated Press Dispatch.

COLUMBUS, O., September 5.—Conscripted troops from southern Ohio early this morning said goodbye to friends and relatives, and carrying small bundles containing a few necessities left for training at Camp Sherman.

The largest units to arrive at Chillicothe today will be the untrained troops from Cincinnati and Columbus. The first contingents comprise five per cent of the state's draft quota. Drafted men from northeastern Ohio will go to Chillicothe tomorrow and those from northwestern Ohio follow Friday and Saturday.

By Saturday night nearly 2000 conscripts will be in training.

Many of the men who started today had slept at headquarters last night. Some few had spent a last night at home.

In Columbus the drafted men marched to the station in military formation, seemingly anxious to become one of Uncle Sam's soldiers, as the volunteers who recently left for France with the Fourth Regiment.

WASHINGTON, September 5.—11 of the militants of the National Women's Party arrested yesterday while picketing the President's reviewing stand at the parade were sentenced today to 60 days in the workhouse. They did not appeal and began serving their term.

Under Continued Battering of Big Guns Germans Contemplate Evacuation of Nearly 200 Square Miles of Territory in Flanders, to Offset Imminent Allied Offensive.

LAST AUSTRIAN STRONGHOLD BEFORE TRIEST IS CAPTURED

Italians Now Dominate Chain of Hills Along Entire Gorizia Front—Take 950 Prisoners With Monte San Gabriele—English Aroused Over Repeated Aerial Attacks.

(By Associated Press Dispatch)

ON THE FRANCO-BELGIAN FRONT THE BRITISH HAIL OF SHELLS BEING DROPPED UPON THE GERMAN LINES IN FLANDERS IS CAUSING THE GERMANS TO CONTEMPLATE ABANDONING A WIDE EXPANSE OF TERRITORY NOW BEING SWEEPED BY GENERAL HAIG'S BIG GUNS AND THOSE OF THE FRENCH, CO-OPERATING WITH HIM.

The launching of the Entente drive here is apparently imminent and as a measure of preparation the Germans are reported to be removing the civilian population of a district extending 12 miles or more to the east of the present front in west Flanders, embracing an area of 200 square miles.

Meanwhile Germany is pushing her air campaign against England to an extent that is leading London to wonder, as one newspaper expresses it, "if Germany has got her great air offensive ready before that of the British."

On their side the British have carried out further extensive bombing raids in Belgium, hitting the Brugges docks where the Germans have a submarine base, a heavy blow. Airdomes also were bombarded with good effect.

Italy's long years of preparation and General Cadorna's strategy and ability as commander continue to bear fruit in the great offensive the Italians are now waging for Trieste.

Although official announcement is lacking there seems little reason to question dispatches from various sources that Monte San Gabriele, the last of the Austrian strongholds in the Gorizia district, has been taken by the Italian troops, giving them possession of the entire chain of hills dominating the Gorizia area. With the taking of Monte San Gabriele the capture of 950 prisoners, probably all the remaining Austrian garrison, with 32 officers, is reported.

RUSSIANS STILL ON THE RETREAT

Russia's northern armies are still in retreat before the Germans in the Riga district. The Russians already have fallen back more than 30 miles to the northeast, retreating behind the Livenian river past which the Germans are following them.

The more westerly Russian forces are still keeping in touch with the coast in the evident effort not to lose their protection for their flank.

URNS OVER ALL SUGAR

By Associated Press Dispatch.

WASHINGTON, September 5.—Control of the sugar industry in the United States was placed voluntarily in the hands of the food administration today by the refiners' representatives who agreed to import all raw sugar through a committee to be named by Herbert Hoover.

MORE LOANED TO THE ALLIES

By Associated Press Dispatch.

WASHINGTON, September 5.—Loans of \$100,000,000 each to Great Britain and France were made by the government today, bringing the total advanced to the Allies up to \$2,266,400,000.

LOSE FIGHT ON AMENDMENT

By Associated Press Dispatch.

WASHINGTON, September 5.—Republicans today lost their fight to amend the war bond and certificate bill so as to provide for a congressional war expenditures committee.

Representative Johnson of Kentucky, chairman of the committee of the whole, sustained points of order made by Kitchin, Democratic leader, against two different proposals offered by Representative Gillette, of Massachusetts, and Representative Moore, of Pennsylvania.

GOV. COX CRITICIZES THE WAR DEPARTMENT

(By American Press)

Columbus, Sept. 5.—Criticism of some of the war department's actions with reference to the Ohio division, national guard, is made in a statement by Governor Cox. He characterizes as a "very glaring blunder" the attempt of the war department to ignore his divisional staff nominations after the department specifically had asked for them.

The governor's statement followed word from Washington that the department had revoked orders which would have set aside the governor's staff appointments.

At the same time Cox made public a letter to General Mann, head of the bureau of militia affairs, war department, in which he complained of shabby treatment to the Ohio officials, after they had done splendid work in raising a division at a time when volunteers were "not plentiful." Cox says he does not blame Secretary Baker for the action.

Italians Battling Their Way Through Mountains to Trieste

The map reproduced herewith shows, in the heavy black line, the Austro-Italian battle line along the Isonzo river. The inserted smaller map shows the vicinity of Trieste, the important port for possession of which the Italians are battling. It is predicted that the fall of Trieste will mean the collapse of Austria-Hungary. The Bainsizza plateau, at the extreme north of the larger map, has been the scene of some of the hardest of the recent fighting.

MESSAGE OF FRIENDSHIP FROM ISHII

Leader of Japanese Mission Addresses Congress Expressing Great Friendship.

By Associated Press Dispatch.

WASHINGTON, September 5.—Viscount Ishii delivered Japan's message of friendship and co-operation to the United States before the House of Representatives today in company with the other members of the Japanese mission. He gave a solemn warning that enemies of both countries are working to estrange them and expressed his confidence that the friendship would prevail over the intrigue.

Introduced by Speaker Clark in a few words Viscount Ishii was received with a great demonstration from the floor and crowded galleries.

SUB. SHELLS ENGLISH CITY

(Associated Press Cable)

LONDON, September 5.—Scarborough, on the English east coast was bombarded last night by a

hostile submarine, it was officially announced today. About half of the shells in the 30 rounds fired from the submarine landed, 3 being killed and 5 injured. Little material damage was done.

20 AIRPLANES RAID LONDON DURING NIGHT

Eleven Persons Are Killed and 62 Are Injured in Latest Attack on London.

(Associated Press Cable.)

London, September 5.—Eleven persons were killed and 62 injured in last night's aerial raid. One raider is reported to have been brought down off Sheerness. It is announced officially. The official announcement says:

"Enemy airplanes in considerable numbers crossed the southeast coast between 10:30 p. m. and 2:00 a. m. last night. The raiders seem to have traveled singly or in groups of from two to three machines, for which reason it is difficult to estimate their numbers, but it is possible 20 machines took part in the raid.

"By 11:20 p. m. it became evident that airplanes were approaching London and at 11:45 the first bombs were dropped. From this time until 1:00 a. m. 40 bombs were dropped. "The total casualties reported up to this time are: killed 9; injured, 49. The material damage is light."

HAMILTON TIGHTEST OHIO CITY

Mayor Clamps Lid Down So Tight That All Business Stops on Sundays.

By Associated Press Dispatch.

HAMILTON, O., September 5.—"I did not put the laws upon the statute books of Ohio nor upon the ordinance books of Hamilton, but I will enforce them to the letter." With these words Mayor John A. Holzberger today made Hamilton "the tightest city in Ohio."

On Sundays everything will be closed except the drug stores for the filling of prescriptions. Milk wagons will be permitted to operate and Sunday newspapers may be delivered, but otherwise Hamilton is to be a closed town.

The Mayor called every member of the police force to headquarters and issued his orders.

"If there is any man here who will not strictly obey the orders I have issued, I want his resignation immediately," he said. No one resigned.

The action of the Mayor is understood to be the outcome of a conference between him and Governor Cox last week, when the labor situation in Hamilton was discussed.

The Mayor, in his order, called attention to the conference, and said the Governor had told him that Hamilton was the most disorderly community in the state.

Games of chance, raffles, whether conducted by a church or other organization, must be stopped and the liquor laws will be strictly enforced.

MAY USE ARMS UPON FINNS

(Associated Press Cable.)

PETROGRAD, September 5.—The Governor-General of Finland has returned to Helsinki with Premier Kerensky's sanction for the opposition by armed force if necessary to any act of the Finnish local government which he deems inimical to the welfare of Russia.

GENERAL GURKO BECOMES EXILE

(Associated Press Cable.)

PETROGRAD, September 5.—General Gurko, former commander on the southwestern front charged with treasonable conduct toward the revolution, will be exiled from Russia.

General Gurko, according to reports is the first person against whom such a measure has been taken by the revolutionary government.

He will be permitted to choose the place of his residence and will be given three days in which to arrange his affairs. General Gurko has been degraded and his request for a new inquiry into his acts has been refused. He will be followed in to exile by his wife.

COMIC FEATURE IS
ADDED TO HERALD.

"Bringing up Father," one of the most popular comic picture features offered by the modern press, has added to the numerous features of The Herald, and will be a daily feature from now onward.

"Bringing up Father" is the handiwork of that clever artist, George McManus, who stands at the very top of his profession.

Each day some clever phase of "real life" will be portrayed for the entertainment and amusement of The Herald Family.

It is expected that he will be in the hospital several weeks before being disposed of either by bond or return to prison.

The operation was performed after the county commissioners had been consulted and consent obtained.

FOR INTOXICATION

Herbert Davis, who was arrested Sunday night for being intoxicated, was fined the usual five and costs by Mayor Oster Tuesday afternoon.

Being unable to pay the fine he was committed to the county jail until the fine is paid.

TAKEN FROM JAIL
TO THE HOSPITAL

Emanuel Davis, held in the county jail on a charge of stealing hogs, was removed from the jail, Tuesday afternoon because of a serious attack of appendicitis, and taken to the Fayette Hospital, where he was operated upon, and is now recovering.

FIRST MEN FOR
NEW DRAFT ARMY
ARE READY TO GO

Two Alternates Selected Who Will Go to Train Tomorrow and Fill Any Vacancy That Might Arise at Last Minute.

Apparently eager to begin their duty to the country and to their flag, the first four men of Fayette county's quota of 85 men assembled at the office of the Local Board, Wednesday morning, for final instructions. They are now in the military service and in charge of the Local Board.

The four men who reported are: Robert E. Willis, Jas. W. McDonald, Orville A. Turner and Albert Briggs. McDonald was delayed a short time by auto trouble while at South Charleston, but telephoned the reason of his temporary absence.

Two alternates have been chosen to report at the train Thursday afternoon with the four men called. They are James W. Ballard and Clark Elmer Denny, the latter of Rural Route 3 out of this city.

Should one of the four men be ill or unable to go on the special train at the time appointed, one of the alternates will go instead.

To Robert E. Willis was delegated charge of the squad, and he will report to the receiving officer at Chillicothe.

The men were permitted to return to their homes until one hour before train time Thursday afternoon. It is expected that a large crowd will assemble at the station to bid goodbye to the four men. The train departs Thursday at 1:30 o'clock.

The next draft from Fayette departs September 19th or 20th, and will be 40 per cent of the quota of 85.

The Fall of Riga

The disorganized Russian troops offered but feeble resistance to the German advance on Riga, fleeing in disorder and disgracing themselves and their nation.

With winter approaching just what advantage the German general staff attributes to the success of the campaign against Riga is not apparent, aside possibly from the advantage of holding Russia's main Baltic port.

Riga is several hundred miles distant from Petrograd and it is not likely that an offensive will be launched against the Russian capital before next year, if at all, although the terror stricken Russian troops are preparing to evacuate the present seat of government.

There seems much to support the contention that the Riga campaign has been pushed to success at this time in order that Germany, responding to an ever growing demand to make a good faith peace proposal, has seized the Russian port for the encouraging effect on the German people and to give her another "talking point" in the peace conference.

Viewed from any angle, however, the fall of Riga is of minor importance so far as the allied campaign is concerned and its possession by the Germans will be but a feeble argument in support of Germany's peace terms offer.

Where?

In an ably written editorial The Cincinnati Enquirer, calls attention to the tremendous changes that have been made from long established customs and long cherished ideals of government, during the last year and the further changes that are urged as imperatively necessary to meet the needs of the time.

Well may we ask, as the Enquirer suggests, where are we going? When is there to be an end and where will we wind up when the end comes.

No body knows and few, indeed, care to hazard an opinion as to the final outcome.

It is a remarkable time we are living in and we have, more than once, attempted to direct public attention to that fact. Suggestions which only a few months ago would have been considered all but impossible, are not only seriously considered with remarkable promptness in view of our long adherence to conservative safeguards, but taken up and adopted within a remarkably short time.

The confidence in each other and the confidence in our public servants, the faith we all have that no one of them will attempt to abuse the almost autocratic powers vested in them temporarily, is more than any thing else the explanation of it all.

The nation's leaders, and there must be leaders in times like these, urge the adoption of many revolutionary changes with a supreme confidence that the people will follow. They do not even try to indicate where they are going or that they even consider seriously that phase of it at all. Indeed it is doubtful if the leaders themselves consider more than that they are doing their best to serve the people and are themselves being led by Him who rules the universe and shapes the destinies of men.

We must trust somebody to lead and that leader must have faith.

The nation is on it's way, we all feel confident, in a glorious cause which cannot stop at trifles or ponder too seriously over technicalities.

Coal Prospects

The defiant attitude with which many of the coal operators and distributors have greeted the action of President Wilson and the national authorities fixing the price of coal, is not promising. Indeed the menace of a shortage in the coal supply and a continuance of high prices grows greater every hour.

The bins and cellars of the people are empty. The great August and September deliveries have not been made and no provisions are being made to handle the unprecedented demand when it comes.

We may appear impatient but it does seem that the government authorities are wasting valuable time in waiting for the coal operators to agree to regulation.

Time lost now in getting the coal from the mines to the consumer must be made up later and under conditions which will impose terrible suffering upon the people and bring on industrial paralysis, unless something definite is done soon.

If the national authorities have doubt about the acquiescence of operators and distributors to the price program adopted, seizure of the mine properties had better be made at once as the time is short within which to perfect the organization for operating government owned mines.

Every day and every hour the evidence accumulates that the men who control the coal combine are not going to submit to the government's plans. Perhaps they may change their minds when subjected to the "third degree." The authorities had better though if relief is to be assured resort to the third degree now.

The local unit of the National League for Women's Service shipped two large boxes of surgical dressings to New York city today. From New York the supplies will be sent at once to France.

The boxes which were sent contained: 20 arm fracture pillows; 6 leg fracture pillows; 27 comfort pillows; 67 elbow rests; 70 flannel binders; 13 body binders; 27 T. binders; 59 rolled bandages; 20 sling bandages; 29 linen compresses; 72 medicine cup covers; 64 hospital handkerchiefs; 26 bath mits; 100 tampons.

The women of the local league are now engaged in knitting for Company M. Fifty knitted sets are almost completed and the committee is anxious that one hundred and fifty sets—one for each man in the Company—be finished in time for a Christmas box. The league will appreciate any assistance the women of the city can give—either time or money. Persons desiring to assist call Miss Amy Conn.

POPEJOY FARM FOR SALE

The Lewis Popejoy farm 4½ miles east of town and on the old state road just south of where it crosses the Waterloo pike will be sold at the Court House at public sale next Saturday, 8th of September at 2 o'clock p. m. by W. E. Ireland, executor.

It contains about 123 acres, is a very desirable farm, well located, nice distance from town, good soil, fairly good improvements and has running water the year round fed by springs. It is known as the "Old Popejoy Homestead" and has been in the name of the family nearly one hundred year. Natural conditions suggest that this can easily be made an ideal country place as well as a good investment.

Do You Like to Get Tired In The Kitchen?

The way some women hang on to their old fashioned kitchens one would think they liked to wear themselves out doing the work. The miles of steps they take getting three meals a day; the unnecessary trips to pantry, cellar and storeroom is drudgery that makes young women grow old quickly. Many of your neighbors have refused to submit to such slavery. They bought a BOONE KITCHEN CABINET and do their work easily and in half the time. Call and see them. Sold only by

In Social Circles

At the home of Mr. Cook, on the White pike, Sunday was held the first reunion of the Bryans and Cooks, families having specially large representation in the eastern part of the county.

Plans had been made originally for a surprise dinner in honor of Miss Elma Cook, and later developed into the reunion. The occasion was one of memorable pleasure, with a big basket dinner a feature of the day.

An organization was effected with the following officers elected: Charles Cook, president; Mrs. Glen Lininger, vice president; Miss Marie Cook, secretary; Mr. Drions Clear, corresponding secretary; Mrs. Ed Boswell, treasurer.

The next reunion will be held on the first Sunday in September, 1918, at the Virgil Bryan home.

Those taking part in the reunion were: Verna Cook and family, Frank Coffman and family; Pearl Cook and family; Clyde Cook, Michael Clear and family, Mr. and Mrs. Virgil Bryan, Mrs. Mary Gilmore, Mr. and Mrs. Alph Stookey, Mr. and Mrs. Glen Lininger, Mr. and Mrs. Melvin Bryan, Mrs. Leonard Cook, Mr. Edgar Bryan, Mr. Percy May, Mr. Harry Davis, all of New Holland; Mr. R. E. Thomas and family of Frankfort; Mr. Charles Cook and family of Yatesville; Mr. Walter Rowe and family, Mr. Emer Miller and family, Mrs. Ed Boswell and children, Mr. Rush Hays and family, Mrs. Ella Cook and daughter Marie, of Washington; Miss Jessie Bryant, South Bend, Ind.; Mrs. Eunice Compton and daughter Irene, of Washington.

Washington Temple No. 380, Pythian Sisters, enjoyed a most delightful session Tuesday evening, the occasion being their initial meeting after two months' suspension of activities. This organization, famous for their many "good times," started the fall season with enthusiasm and cordiality, each member present being interested in the many suggestions made for the good of the order. It is expected to make this year one long to be remembered in Pythian circles, especially in the social life and in altruistic work. The new M. E. C., Miss Isabel Evans, appointed the following committees for the coming term:

Entertainment committee: Mr. and Mrs. Alvin Hyer, Mr. and Mrs. Will Eyre, Miss Emma Wilson, Mrs. Florence Pearce, Mrs. Ora May Deheart, Mrs. Jessie Bending, Mrs. Corda Huffman and Mrs. Florence Hays.

Visiting Committee: Mrs. Rosetta Wilson, Mrs. Sadie Blackmore and Mrs. Jennie Beck.

Press Committee: Mrs. Estella Blackmer and Miss Jessie Wain.

At the close of the regular lodge session, delicious refreshments were served in the banquet hall by the Past Chief, Mrs. Rosetta Wilson.

Miss Charlotte Baker pleasantly entertained ten girls with an informal party Saturday evening to introduce her very attractive guests, Miss Beulah Maier of Cambridge and Miss Irma Beachler of Dayton, Dennison school friends of Miss Baker's.

Dainty summer refreshments were served.

The guests were: Misses Helen Persinger, Emily Palmer, Naomi Rowan, Nell Stuckey, Helen Hamm, Kathryn Foreman, Gladys Penner, Martha Teeters and guest Miss Marguerite McKillop of Athens.

In compliment to Miss Beulah Maier of Columbus, who is the guest of Miss Charlotte Baker, Miss Helen Hamm

entertained with a delightful party Monday afternoon.

In an amusing contest, "A Beastly Tale," Miss Naomi Rowan won the prize, a pretty crepe de chine handkerchief.

Piano and Victrola music was greatly enjoyed throughout the afternoon.

A pink and white color scheme was pretty in house decorations of asters and zinnias. A dainty summer collation was served.

The guests were: Misses Charlotte Baker, Naomi Rowan, Emily Palmer and Helen Persinger.

Miss Dorothy Fullerton is giving a tea Thursday afternoon for two charming September brides, Misses Dorothy Saxton and Emily Tanzey.

The teachers and officers of the First Baptist Sunday school enjoyed a dinner at the home of Mrs. Anna DeWees, of Cherry street, Tuesday night.

After the dinner there was a business meeting and social hour.

The dinner committee, Miss Mary DeWees, Mrs. Howard McLean and Miss Merle Jones, received many compliments upon the success of the dinner.

One of the prettiest and most charming affairs of the season in Bloomingburg circles was given at the home of Mrs. Wm. F. Jefferson, Tuesday afternoon, when the Ladies Kensington Club entertained the young women of the Wednesday Club.

The entertainers had spared no effort. The home was a bower of bloom, asters, dahlias and cosmos filling jardinieres and vases and graceful vines of climatis masking the stairway and festooning chandeliers.

Matrons and maids enjoyed visiting over fancy work, music and a tempting refectory of ice cream, angel food, coffee and minis. Punch was served all afternoon.

The receiving line was formed by Mrs. Jefferson, Mrs. J. Y. Stitt, president and Mrs. Laughlin.

Mrs. Carl Jefferson and Miss Vera Clark, of Columbus, Mrs. Robert Allmang of Leesburg, Misses Eva McClure and Corrine Vance were guests with the club members.

A delightful surprise was given Tuesday night to thirty guests of the Daughters of America by Mrs. Anna Burns.

The decorations were beautiful, games were played and appetizing refreshments served. The guests left voicing their enthusiasm over the evening's enjoyment.

Much interest attaches to announcement cards received Wednesday bearing the following inscription:

Mrs. James McCafferty Announces the marriage of her daughter Elizabeth to

Mr. Ernest Forsyth Woodward On September the fourth one thousand nine hundred and seventeen.

Cincinnati, Ohio.

The bridegroom is the only son of Mr. and Mrs. W. B. Woodward, of this city and has been connected for some time with the Kollig Switchboard and Supply Co., of Chicago, having his offices in Columbus. He is a Denison University man; a member of the Beta Theta Phi fraternity and was as popular in his college life as prior to that he had been in social circles of this city. Mr. Woodward is recognized as a young business man of ability and is meet-

ing with gratifying success in his business relations.

The bride is a bright and attractive young woman, a graduate of the Western College, Oxford, and has been engaged in teaching in Granville.

Mr. and Mrs. Woodward left immediately after their marriage for a trip on the lakes. Upon their return they will make their home in Granville.

An extremely pretty, although quite informal, pre-nuptial affair was a shower given by Miss Helen Jones for Miss Emily Tanzey Wednesday morning.

Roses, gladioli and clematis were in graceful arrangement throughout the home and a luncheon of exquisitely dainty appointments followed a shower of beautiful gifts.

Sixteen intimate friends were grouped around the bride-elect, who is a decided favorite, and the hour was a merry one with good wishes galore accompanying the pretty remembrances.

Assisting the charming young hostess were her mother, Mrs. Ada Jones, Miss Gertrude Sharp, of Denver, and Miss Nina Dahl.

Touching Washington circles in its interest comes the announcement from San Diego, Cal., of the approaching marriage of Miss Josephine Jones, youngest daughter of the late Rev. Norman Jones for many years a resident minister of this city.

On Saturday the eighth Miss Jones weds Mr. George De Cleyer Curtis, a New York man and Harvard graduate, who since supplementing his studies abroad, has been engaged in literary work. For the winter Mr. and Mrs. Curtis will take a furnished apartment in San Diego. In the spring they expect to go out to Mr. Curtis' ranch, where they will have their summer home and Mr. Curtis continue his literary work.

Miss Jones during the years in which she made her home in Los Angeles, Cal., has several times revisited her home town and been the guests of her cousin, Mrs. Robert Howat. She is a versatile and interesting young woman whose visits have always been enjoyed and announcement elicits the best wishes of many Washington friends.

The Tuesday afternoon meeting of the Clonians with Mrs. Josephine Kerr was fraught with even more than the usual pleasure in that it honored Miss Emily Tanzey, a junior Clonian, who is a bride of the very near future.

The Junior Clonians were also in attendance and a delicious collation was included in the afternoon's hospitality.

Miss Prudence Culhan was a guest.

STAUNTON SCHOOL UPROAR CARRIED TO COUNTY BOARD

Failure to agree upon teacher for the Staunton schools, and dissatisfaction among the patrons of the school resulted in a special session of the County Board of Education being called Tuesday night, and four members of the Concord Board of Education were present to present their troubles to the board.

An informal discussion of nearly two hours finally resulted in the Concord Board members withdrawing and agreeing to employ Miss Leafy Heinlein to teach the Waddell school where two teachers had resigned presumably because no boarding place could be found in the community, and the agreement to return to Staunton and canvass the patrons of the schools with a view to employing Miss Carrie Orman or Everett Simmons.

It developed that some difference of opinion existed between the District Superintendent, C. L. Anders, and certain patrons of the school over who should teach the school, and for several days past there has been an uproar in the Staunton community over the situation.

It is expected that within a few days the matter will be adjusted and suitable teachers employed for the Staunton school, none having been hired by the present board of education, which was appointed to succeed the old board that had employed Mr. Simmons to teach the schools.

It also developed during the informal discussion that several teachers in the county have merely been "placed" but not yet employed, to fill vacancies due to a scarcity of teachers.

Upon the agreement of the Concord board members to do their best to settle the difficulty in the Staunton district, the County Board decided not to take a hand in the proceedings.

AUTOMOBILES MEET IN HEAD-ON CRASH

Fortunately no one was injured when the Ford touring car owned and driven by George H. Eckerle, of this city, and an Oakland touring car owned by M. Owen Baker, and driven by Adam Clifton, both of Washington C. H., collided head on about seven miles out on the Jamestown pike Monday night.

The accident happened at about 7:25 o'clock. Mr. Eckerle was driving slowly toward Xenia while the other machine was on the way to Jamestown. Mr. Eckerle drove to the side of the road and left plenty of room to pass but the driver of the Oakland did not turn out soon enough and crashed headlong in the Eckerle car. The front axle of the Oakland was broken in two and it was battered up to some extent. The Eckerle car received a bent fender, bent radius rod and steering apparatus.—Xenia Gazette.

WORK ON THE NEW SCHOOL BUILDINGS WELL UNDER WAY

At the present time work is going forward on six new school buildings in Fayette county—all of them centralized buildings—and the work of completing a large addition to the Bloomingburg school house is now a matter of only a few days.

At Bloomingburg school has been delayed until September 17 so that the entire building, including the new addition, will be ready for use.

In Marion township, on the Waterloo pike, the new building is beginning to take form, and the brick walls are well under way. It is expected the structure will be completed sometime this winter. The question of toilet rooms is still undecided. The work is being retarded by lack of labor.

In Union township the excavating work is giving way to concrete work on the foundation walls, and within a very few days the foundation walls for at least one of the buildings will be completed. Rapid headway is expected after that, providing bricklayers can be found.

At Bookwalter, in Paint township, the work has started on the foundation walls, and at Yatesville preparations are under way for beginning work on the foundation walls.

PRaise FOR BAND

Mr. and Mrs. George Cox of Willettsville entertained the Washington C. H. Band with a picnic dinner Sunday. In the afternoon the band drove to Hillsboro and mounting the stand at the Forum, gave a splendid concert, which was enjoyed by a large crowd who were attracted by the excellent music. The Hillsboro people greatly appreciated the treat, and would welcome another such informal visit.—Hillsboro Dispatch.

WILL LET CORN STAND IN FIELD

A number of farmers report that some of the men who usually assist in harvesting the corn crop are asking 20c to 25c per shock for corn cutting this year, and the farmers declaring the price unreasonable and far in excess of what they can afford to pay, announce that before such price is paid they will cut as much of the corn as possible and allow the remainder to stand in the field and husk it from the stock, after which they will turn their stock into the fields in order to take care of the fodder.

It is argued that a good corn cutter, in average corn, can cut 40 shocks, and many 50 shocks of corn daily, and the man who cuts 40 shocks at 25c per shock would draw \$10 per day for his work, or \$8 per day if 20c is paid.

Higher prices than usual will prevail for corn cutting, but not excessive prices declared the farmers in discussing the matter.

"LIZZIE" IS FOND OF ADOPTED FORD

A few days ago while Mr. J. B. Zook, traveling salesman of this city, was in Piqua he discovered that an industrious hen had made a nest in his Ford automobile, and had an egg in the nest. Failing to locate the owner of the hen, Mr. Zook came to this city and the hen, pleased beyond measure at her opportunity to travel, remained in the machine.

Since arrival in this city the hen has manifested a great desire to stay close to her adopted traveling home, and refuses to move far away from the machine. Each day the hen hops into the machine and leaves an egg worth more than 3 cents, and this habit is being encouraged by Mr. Zook who has named the hen "Lizzie Ford."

CONDUCT INSPECTION AT SALES PAVILION

be built between Camp Sherman and Chillicothe. Work will be started immediately.

In response to call for officers for the Fifty-second national guard division at Hattiesburg, Miss., three first lieutenants and 197 second lieutenants, granted commissions at the first officers' training camp, left to fill the complement of officers there. The men volunteered to make the change when the request was made.

Camp Sherman is ready to receive the first contingent of 5 per cent of Ohio's and Pennsylvania's quotas of conscripts. The men upon their arrival will be assigned immediately to their regiment and company. Active training to fit them for service in France will be started immediately and the skeleton companies and regiments, comprising the men who will arrive this week, will be filled later with men who are brought in the remaining increments.

Chillicothe, too, is ready to receive the men, who under the new plan of the government for raising an army, will be brought to Camp Sherman for the opening session of the great army school. Plans have been made by citizens to be welcoming of the men and for social entertainment after they have settled down to the routine of army life.

SLEEPS GOOD
AGAIN SINCE
TANLAC CAME

Tells How Tonic Put His Edgy Nerves Back in Shape—Appetite Has Come Back, Too, and He's Gaining Weight.

When H. H. Bokeloh, Jr., owner of a print shop at 19 E. Third street, Cincinnati, Ohio, started taking Tanlac a few weeks ago he said he was almost a nervous break down.

"Small matters irritated me and the slightest unusual noise would just about put my nerves on edge," Mr. Bokeloh said. "I couldn't sleep soundly either. Lots of nights I'd lie awake for hours and just toss and roll about the bed.

"My appetite was poor also and the food I did eat didn't agree with me and wasn't digested right.

"I had been reading about Tanlac and folks frequently told me what it had done for them so finally I bought a bottle and started taking it.

"I got better from the start. My appetite soon came back and soon I saw I was gaining weight. Then my nerves got back in good shape again. I get good, refreshing sleep every night now.

"All the credit for the change in my condition is due Tanlac. I've already recommended it to several friends and I'll continue to recommend it as long as it's made."

If you are not feeling right get Tanlac today. It has helped thousands of half sick men and women and it will do for you what it has done for others. You can get Tanlac at Blackmer & Tanquary's drug store; Frank Christopher's drug store, or C. S. Haver's drug store. Advt.

COMPLETING WORK
ON THE LEWIS PIKE

Resurfacing work on the Lewis pike from the paving on Lewis street to the Devalon road will be finished within the next day or two, and will then be in much better condition for travel than at the present time.

The resurfacing work on the Devalon road was finished some little time ago, and as a result most of the road is in tip-top condition.

TUESDAY GAMES

(By American Press)
Pittsburgh, Sept. 5.—Pittsburgh completed a run of four successive victories for the first time this season by defeating Cincinnati in ten innings here yesterday. The Pirates twice tied the score and, in the tenth, with two men out, Carey was passed, went to second on Kopt's error, and scored on a single. Score:

MAXWELL
ONE-TON TRUCK

The Maxwell Truck is a real truck, not a converted passenger car.

The specifications include a heavy pressed steel frame; Timken-David Brown worm and gear drive; Timken roller bearings; dropped forged I-beam front axle; designed for generous overload stresses; rugged rear axle housing, with worm and axle shafts of specially heat-treated alloy steel; heavy spring steel semi-elliptic springs, designed to overcome any road shock, and artillery type wheels with steel rims and solid tires.

The Maxwell One-Ton Truck has all the features and equipment that have proved their superiority within the experience of this company as well as other truck builders.

The uses to which this truck can be put are almost limitless. Retailers, wholesalers, manufacturing concerns—in fact, nearly every business house in the country, as well as thousands of farmers, are finding in the Maxwell Truck an efficient and economical means of transportation.
